Using “a” and “an” with Singular Nouns

What You Need to Know

- A **noun** is a word that names a person, animal, place, or thing.
- A **singular noun** means you are talking about just one of something.
- Use **a** or **an** before singular nouns.

Rule 1: Use “an” before vowels

Vowels are: **a, e, i, o, u**

Say:

- an apple
- an octopus
- an egg
- an iguana
- an umbrella

These words begin with vowel **sounds**, so we use **an**.

Rule 2: Use “a” before consonants

Consonants are all the other letters.

Say:

- a tiger
- a pencil
- a rainbow
- a cookie
- a chair

These words begin with consonant **sounds**, so we use **a**.

Rule 3: Watch out for tricky words!

Some words **sound like they begin with a vowel** even if they don't.

Say:

- an hour (the “h” is silent)
- an honor
- an heir

Some words **start with “u”** but sound like they begin with “**yoo**” (a consonant sound).

Say:

- a unicorn
- a uniform
- a university

Name:

Date:

Part 1: Choose the correct article

Write **a** or **an** before each noun.

1. ____ astronaut
